

Premier stocking distributor of aircraft aluminum extrusions and magnesium wrought products

Specializing in industry-leading magnesium solutions, aerospace aluminum extrusions and hard to find exotic alloys. We provide the raw materials needed for cutting edge aerospace projects. In over 60K square feet of industry leading warehouse space, our metals are sourced and processed to meet the exacting demands of modern aviation.

WE ARE THE STOCKING DISTRIBUTOR FOR...

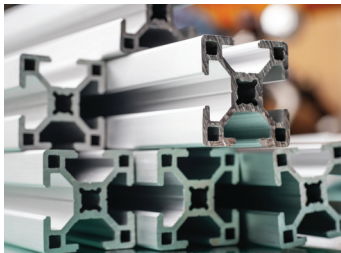

MAGNESIUM

We are the largest stocking distributor of wrought magnesium in North America. All alloys and forms: Sheet, Plate, Bar, Castings, Forgings, and Extrusions. For aerospace, defense, and satellite applications where weight reduction is critical. We offer cut to size.

Stock available in:

- AZ31
- AZ61
- AZ80
- AZ91
- AZ92
- ZK60
- ZE41
- EZ33

AEROSPACE ALUMINUM EXTRUSIONS

We are one of the largest stocking distributors of Aluminum Extrusions. Specializing in hard alloy Aerospace grade Aluminum Extrusions.

Extrusions by airframe design part numbers:

- AND
- TMS
- BAC
- BELL
- DAC
- LAC
- MAC
- GRU
- VS
- DHI
- CDR
- GD
- BEECH
- CESSNA
- Many more
